The purpose of these classes is to outline a basic background for New Age realization in a ground-breaking introduction to the Pattern of the Living Way.

Innate in the humanity of all men, the Pattern of the Living Way can become consciously and visually stimulated and released from within. It is subject to the authority of Truth rather than to any truth of authority. It focuses human mind-faculties upon the opening of inner vision. Conscious rebirth of human living IS the birth of a New Age.

Returns from these classes are to be applied to publishing basic text-books and diagrammatic charts.
